Subject: Howden Roots Authorized Distributor of Roots™ blowers

Dear Sir,

Howden Roots LLC manufacturer of Roots blowers, compressors and controls is pleased to inform you that Xceed Machine Works Inc. **is** the only Howden Roots authorized distributor of Roots blowers for the Industrial and Municipal WW market in British Columbia, Alberta and Saskatchewan. All Howden Roots authorized Roots blower distributors must maintain an inventory of Roots blowers and parts that meet our customer needs. They have complete shop capabilities where they build Roots blower packages for vacuum and pressure service. **All Howden Roots Authorized** Roots blower distributors are factory authorized blower warranty repair centers.

In addition Xceed machine Works Inc. service technicians have been factory trained and certified and they must renew their certificates every two- (2) years. Each year a Howden Roots employee visits each Howden Roots authorized Roots blower distributor to insure they still meet our high standards of customer service. Please contact Forrester Deringer at phone number 587-521-7544 or BC Office at phone number 604-703-1425 concerning your Roots blower requirements and rest assured that they will provide the product support that you have come to expect from all of the people associated with Howden Roots LLC.

Should you have any questions or comments about any of our distributors, you can contact me toll free at 877-363-7668.

Best Regards,

A handwritten signature in black ink, appearing to read 'Philip C. Gordon', with a long horizontal flourish extending to the right.
